## CHILDREN'S/TEEN PROGRAMS

### Family StoryTime

Babies to 4 year olds. The children's librarian invites kids to read, sing, dance, and play in this special storytime meant to encourage a love of reading and build essential early literacy skills.

### Mugs & Hugs StoryTime

Babies to 4 year olds. Mugs and Hugs introduces young children and their parent/caregiver to books, rhymes, music, crafts, and peer interaction.

### STEAM Event (Science, Technology, Engineering, Art, Math)

K - 5. In our STEAM Lab, kids get to engage in hands-on activities that inspire creativity and strengthen critical thinking and problem-solving skills.

### Lego Club

K - 5. Put together Legos at the library. Some events will have a theme, which kids can follow or choose not to. Individual creativity is the goal.

### Bulldog Break Time

Students in grades 6 - 12. A weekly event for teens to get together and have fun. Each event features after school activities like crafts, games, social activities, and tasty treats.

### Teen Break

Students in grades 6 - 12. Teen Space is a friendly game time designed for teenagers. There will be different stations set up with Nintendo Switch, games suitable for most people under the age of 18.

### Spring Break Elementary Movie (March 26)

Bring a blanket and a drink. We'll make the popcorn! Elementary movie is "Ralph Breaks the Internet" (rated PG).

### Spring Break Teen Movie (March 26)

Bring a blanket and a drink. We'll make the popcorn! Teen movie is "The Flash" (rated PG-13): The Flash uses superpowers to travel back in time, but will his sacrifice be enough to reset the universe?

### Spring Break Lego Club (March 28)

Drop in anytime. All ages are welcome as we take on game challenges, have free time building, and play Lego games.

## ALL-AGES PROGRAMS

### Eclipse Presentation with Richard Bell

Richard Bell, former astronomy professor from Western Michigan University and astrophotographer, will give a preview of the historic Great North American Eclipse occurring on April 8, 2024, explain why solar eclipses occur, and show how to view them safely. This eclipse promises to be the most viewed in history. The next total solar eclipse visible from the continental United States will not occur until 2044, so join us and get ready to stand in the shadow of the Moon!

## ADULT AND SENIOR PROGRAMS

### Book Club for Adults

Book club meets monthly on the first Thursday. For our March meeting, we will discuss "My Murder" by Katie Williams.

### Movie Club for Adults & Seniors: Featuring the Classics

Come to the library to watch a movie, drink tea and coffee, and nibble on cookies. March's movie will be "Strategic Air Command" (1955).

### Writers' Motivational Group

Report progress, set goals, share resources and advice, and troubleshoot or brainstorm your projects with other writers.

### Dungeons & Dragons for Adults

Play D&D 5th edition. Bring a 1st-level character to play Dragon of Icespire Peak. Players of all skill levels welcome.

## LIBRARY CLOSURES

### Easter

The library will be closed all day on March 31 for Easter Sunday.

For weather-related closures, please keep an eye on WWMT. Such closures will generally be posted on the library's Facebook page and website, but you can get it first from WWMT.
